

Haiku

If your perfect vacation is to retreat from the world and relax, the restful ambiance of Haiku is for you. Perched high on the hills overlooking sweeping sunrise views of the ocean and Orient Bay, Haiku is the Indonesian inspired home of an architect and reflects a level of design, quality craftsmanship and attention to detail that is perhaps unique to this popular area.

The villa comprises two distinct areas. The main living space with living / media room and adjoining gourmet kitchen and dining area border the sun deck and inviting pool. The sleeping space is accessed by steps, and comprises the master bedroom, which overlooks and has direct access to the pool deck, and second bedroom; both with en suite bathrooms.

Conveniently located in the gated residential area of Les Jardin de la Baie Orientale, and only a short drive from restaurants, shops and the famous 'St Tropez of the Caribbean', Orient Bay Beach with its plentiful beach bars, restaurants and water sports.

Relax, you are on Haiku time.
